About Fortuna.Bambach

For 25 years the Fortuna Group of companies have been supplying independent pharmacies with a wide range of products.

Bambach UK, as a division of Fortuna Group, is committed to meeting the demands on our customers at this time. We have access to a comprehensive and compliant range of Personal Protective Equipment (PPE), hygiene products and diagnostic equipment to meet the needs of your practice and to protect your staff and patients. **If you need something that is not on this list, just call in to discuss and we will source it for you.**

Elaine Ferguson,
Divisional Manager

**We stock an extensive range
of healthcare equipment,
with over 4000 lines.**

- ✓ **Immediate Availability**

Multipack of 10 for £39.50

Disclaimer

The current unprecedented demand for PPE products is making the sourcing of products challenging. We are endeavouring to balance the requirements of finding a) high quality effective products, b) availability and c) price – always with the emphasis on quality. Please note:

- *All orders are subject to stock availability.*
- *Prices may change according to consignment costs; however, our prime aim is always to serve our community.*
